

# THINK Inspire Create

DeVos Place, Grand Rapids, Michigan  
March 7-9, 2018

## ATTENDANCE IS A MUST!

With over 300 sessions, the 2018 MACUL Conference is Michigan's largest education conference. Educators – including those in the classroom, those supporting technology needs, and those overseeing the entire enterprise – will get an outstanding opportunity to learn about the most up-to-date technology innovations and practices in breakout and interactive sessions, network and share experiences with peers and colleagues, explore hundreds of vendors demonstrating the latest and greatest in software and equipment, and learn from national and international keynote and featured presenters. Join us in Grand Rapids and take advantage of the countless opportunities to Think. Create. Inspire.

- Preconference Workshops
- Meet Featured Speakers in MACUL Zone
- MACUL Reception Thursday Night
- Student Technology Showcase sponsored by Michigan Virtual
- Poster Sessions
- Special Interest Groups
- Makerspace
- District Discounts
