

State Continuing Education Clock Hours (SCECHs) 2021 MACUL VIRTUAL CONFERENCE March 17-20, 2021

SCECHs are offered at the 2021 MACUL Virtual Conference. All sessions are eligible this year. The number of hours earned is based on the number of sessions attended/watched at a later date. You must note on the form sessions you have attended in order to earn credit. The breakdown of credits received will depend on the sessions you chose to attend either live or through recordings.

You must attend a minimum of **one** hour in order to be eligible for credit. If you do not attend a minimum of one contact hour, you have not met the State minimum requirement and will not be eligible for credit. Max credit you can earn is 25 SCECHs. You cannot claim hours for the same session twice.

Submitted forms will be reviewed for accuracy. Please make sure your first name, last name, PIC number, and email address **EXACTLY** match the login information for your State of MI MOECS account. If these do not match, your hours will not be successfully uploaded with the Department of Education. **The forms without PIC Number will not be accepted.**

After submitting the form, in 2-4 weeks you will receive an email from the Department of Education prompting you to complete a survey. Upon completion of this survey your hours will be awarded and will appear in your online account. You must complete this survey to receive the hours.

You are responsible and must submit your SCECH application by the deadline – July 16, 11:59 PM.

Unlike previous years, you are not required to submit paper forms. You need only submit forms electronically to **credit@macul.org**. As a reminder, the application deadline will be strictly enforced.

The information below must match your MOECS account or you will not be able to access your evaluation to earn these SCECHs.
